

2021 TELDESCHI VINEYARD PETITE SIRAH

ABOUT

Nestled in the heart of Dry Creek Valley, Ray Teldeschi's meticulously farmed vineyard grows highly sought after grapes. His reputation as a remarkable farmer shows in the quality of the fruit each year. The vineyard follows an easterly slope up to the bench land with volcanic soil that contributes a signature spice to Ray's fruit. Southern exposure guarantees plenty of sunlight that influences the valley's warm days. The cool nights that follow result in perfect conditions for red varietals such as Petite Sirah.

Fun Fact: The Teldeschi Vineyard was purchased in 1948 and was one of the first wineries in the Dry Creek Valley.

A bold wine with high tannins, Petite Sirah can stand up to rich and full-flavor dishes. With its smoky undertones it is a natural with barbecued meats, grilled eggplant, and roasted pork loin. It's also delicious with aged gouda.
